

CREATE THE

SOUNDTRACK

TO YOUR LIFE

WE ARE THE

Revelers

Your personal soundtrack is the musical roadmap of your life. Have fun answering these questions to create your own playlist. When you're finished share your soundtrack with us on our Facebook page! We hope to find new music, remember some greats we forgot, or marvel at any similarities in our musical legacies. REVEL in music!

Instructions:

- Grab paper & pen and answer the questions below.
- Use your answers to make a playlist of the songs that speak most to you; or include them all. This is YOUR soundtrack! We suggest at least 20 songs and love Spotify for creating playlists.
- Then, add a good personal theme song or two, or three. These songs should signify where you are at, make you feel like you can take on the world, or remind you who you are.
- Next, choose a song for a future anthem - a song to uplift, inspire, and move you toward the future you desire.
- Finally, share your soundtrack for others to enjoy and get to know you a little better. We want to hear it, too!
